

AT-HOME COVID SCREENING FOR STUDENTS & STAFF

Help us keep our classrooms and facilities safe for everyone!

Students & Staff are asked to self-screen for COVID symptoms **EVERY DAY** before coming to school or work.

Consider these questions for yourself, your student and everyone in your household:

Does anyone have a new or worsening Cough?

Does anyone have shortness of breath?

Does anyone have a sore throat?

Has anyone experienced a new loss of taste or smell?

Does anyone have fever, chills, or body aches?

Does anyone have vomiting, diarrhea, or nausea?

Does anyone have fatigue or exhaustion?

Does anyone have a runny nose or congestion?

Has anyone had close contact with someone who has tested positive for COVID?

Please pay attention to symptoms if you have traveled to or from an area where local health department is reporting large numbers of COVID-19 cases.

**If the answer to any of these questions is “yes,”
PLEASE DO NOT COME TO SCHOOL.**

Contact your health care provider for guidance.
